## WELCOME

Dear steel bridges sector representatives,

On behalf of the Organizing Committee of the **11<sup>th</sup> INTERNATIONAL SYMPOSIUM ON STEEL BRIDGES 2024** we are pleased to invite you to cooperate on Symposium being held from the 11<sup>th</sup> September to the 13<sup>th</sup> September 2024 at Orea hotel Pyramida in Prague, Czech Republic.

**The ISSB Prague 2024 is organised by the Czech Constructional Steelwork Association (CAOK) in coordination with European Convention for Constructional Steelwork (ECCS) in conjunction with the ECCS Steel Bridge Awards Ceremony and ECCS Annual General Meetings.**

The ISSB Prague 2024 Symposium is going to present and discuss a wide range of topics related to a great variety of research, design and construction activities in steel bridges sector.

This symposium offers an excellent platform to show your new products and the newest technology solutions and equipment to symposium participants by taking part in the exhibition and/or being a significant partner of this international event.

We look forward to seeing you in the beautiful city of Prague and we are prepared to discuss further details related to our excellent meeting with you.

## TOPICS

- Advanced models of structures and bridges

<b>Electronic Proceeding</b>	• Full page color advertisement inside - 300€

All prices listed in this Prospectus are stated in EUR and are excluding VAT.

## SYMPOSIUM VENUE

Heart of Europe, one of the most beautiful cities in the world and an architectural dream on the Vltava River – this is Prague, the capital of the Czech Republic. Thanks to its location in the centre of Europe, Prague has always been an important crossroads of trade and culture. In the course of its thousand-year history, Prague has always been the political, cultural, and business centre of the country.

Golden Prague is a city of hundred spires, an UNESCO site, a majestic and slightly mysterious city with a unique atmosphere. Among the most visited sights are Prague Castle (one of the biggest castles in the world), Charles Bridge, or the Old Town Square with famous Astronomical Clock. You can enjoy the atmosphere of the city from a boat on the Vltava River, by walk through old streets and corners, relax in many parks and last but not least taste the famous Czech beer!

Just a 15-minute drive from the airport, the hotel offers peaceful accommodation in 340 rooms and suites.

The hotel is close to Prague Castle, where you can take a stroll in the Wallenstein Gardens.

Tram number 22 or 23 will take you to the city centre. The tram stop is located right in front of the hotel - Malovanka. If you want to go to the city centre itself, we recommend the Malostranská stop, where you just cross the Mánes Bridge and you are right by the Old Town Square. All the way by tram you will see beautiful scenery and corners of Prague.

If you want to use the metro we recommend taking tram number 25, which will take you to the Hradčanská stop. From this stop you can ideally reach both the city centre and the airport.

OREA Hotel Pyramida Praha, Belohorska 24, 169 01 Prague 6, +420 233 102 111, rezervace.pyramida@orea.cz
